## RESPONSE TO AMENDMENT

1. Applicant's amendment filed 1 June 2004 is acknowledged. Claims 18-20, 22-24, 27-29, 33, 35, 37, and 38 are pending and under examination in this office action. The text of those sections of Title 35, U.S. Code, not included in this action can be found in a prior office action.

## Claim Rejections/Objections Withdrawn

2. The objection to claim 34 as depending from a rejected claim is withdrawn in response to Applicant's cancellation of this claim and representation of the subject matter in an independent claim.

## Claim Rejections Maintained

3. The rejection of claim 33 under 35 U.S.C. 102(b) as anticipated by the '366 patent is maintained for reasons of record in the office action of 3 March 2004.

Applicant's amendment limiting the claim to treatment of a patient in need thereof is insufficient to overcome the problem of inherency. As stated previously, a cancer patient suffering from arthritis, for example, who was treated with MIA would inherently have reaped the benefits of the chondroinductive ability of MIA, whether that fact was recognized or not. The amendment does not overcome the rejection because such a patient would also be in need of treatment for said arthritis, even if the patient was being treated for cancer.

CLAIMS 18-20, 22-24, 27-29, 35, 37, AND 38 ARE ALLOWED. CLAIM 33 IS REJECTED.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Janet L. Andres whose telephone number is 571-272-0867. The examiner can normally be reached on Monday, Tuesday, Thursday, Friday, 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brenda Brumback can be reached on 571-272-0961. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).

Janet L. Andres, Ph.D. 6 August 2004
